AD MATCH

**We'll
match prices*
when you
show us
a lower
advertised
price!**

1. We'll match prices if you show us a lower advertised price. See in-store for a list of current competitors that we ad match against.
2. We reserve the right to limit the quantity available for purchase to 4 units per Ad Matched item purchased at a competitor's price, regardless of variety.
3. We will not match competitor's private label offers on non-identical brands or other special offer types, see full explanation for details.
4. The competitor's advertisement, whether printed or digital, must be complete with all necessary information and in an acceptable format.

*We'll match prices if you show us a lower advertised price means that if a major supermarket competitor, advertises a lower price on any identical item we carry in store, show us the original print copy or official digital advertisement and we will sell you that item, up to a limit of four(4) units per item, at that same price but only during the effective dates of that competitor's advertisement. See in-store for a list of current competitors we ad match against. Identical items are defined as same brand, item type (in the case of unbranded produce, meat and bakery), size and attributes and carried at this store location. **We will not match:** competitor's private label offers on non-identical items, "spend x get x", "Free", "Clearance", discounts or coupons obtained through loyalty programs including PC Optimum™, PC Optimum Member Only Pricing, participating items under the Save it Forward™ program timeframe, or offers related to our third party operations (post office, gas bars, dry cleaners, etc.). We reserve the right to refuse to match a competitor's item price if their advertising contains errors, typos or misprints or is subject to a correction notice. We reserve the right to identify the major supermarket competitor(s) for each Real Canadian Superstore location. The program will only apply if competitor's advertising is complete with all relevant information including but not limited to size and price, effective dates, format/weight identified, and in the format specified as either in print or from an official digital source (such as the competitor's online flyer or website). In no circumstances will the program apply to offers relating to our third-party operations or where prohibited by local, provincial or federal laws or regulations. Major supermarket competitors and geographical trade areas are determined solely by us and are based on a number of factors which can change from time to time. We reserve the right to cancel or change the terms of this program at any time.

This promise does not apply to reduced/clearance priced produce. This promise cannot be combined with any other offer. See in-store for a list of current competitors we do match against. Identical items are defined as same brand, item type (in the case of unbranded produce, meat and bakery), size and attributes and carried at that store location. **We will not match:** competitor's private label offers on non-identical items, "spend x get x", "Free", "Clearance", discounts or coupons obtained through loyalty programs including PC Optimum[™], PC Optimum Member Only Pricing, participating items under the Save it Forward[™] program timeframe, or offers related to our third party operations (post office, gas bars, dry cleaners, etc.). We reserve the right to refuse to match a competitor's item price if their advertising contains errors, typos or misprints or is subject to a correction notice. We reserve the right to identify the major supermarket competitor(s) for each Real Canadian Superstore location. The program will only apply if competitor's advertising is complete with all relevant information including but not limited to size and price, effective dates, format/weight identified, and in the format specified as either in print or from an official digital source (such as the competitor's online flyer or website). In no circumstances will the program apply to offers relating to our third-party operations or where prohibited by local, provincial or federal laws or regulations. Major supermarket competitors and geographical trade areas are determined solely by us and are based on a number of factors which can change from time to time. We reserve the right to cancel or change the terms of this program at any time. **PC OPTIMUM MEMBERS ONLY:** These offers are only available to valid PC Optimum[™] program members. Membership is free. To register, see in-store or visit pcoptimum.ca. No cash value. See pcoptimum.ca for full program details including redemption restrictions. Minimum redemption 10,000 points. These offers cannot be combined with any other coupons, discounts or promotions and no adjustments on previous purchases. Product availability may vary by store. While supplies last. We reserve the right to limit quantities. Receive the points specified when you spend the qualifying dollar amount on the displayed participating product(s) and/or category(ies) before taxes and after redemptions and all coupons and discounts are deducted in a single transaction. Taxes applicable on the purchase amount after discounts. PC Optimum[™] member pricing is not applicable to any price match programs for participating stores operating under the Loblaw's Inc. banner.
