This symbol identifies products made in Canada with domestic/imported materials.

While every effort is made to supply advertised items, we reserve the right to limit quantities and not every item may be stocked by every "Home" Dealer. We will be pleased to provide a rain-check on any item that may not be available during this promotion - except where indicated in the advertising copy. Regular Prices and Save messages shown in this flyer are based upon pricing levels immediately before and after this sale event. Home stores are independently owned and operated and pricing may vary somewhat by location. Please check with your local Home store for possible variance of pricing shown and corresponding savings shown on items advertised in this flyer. Items reduced in price return to regular price at the end of the sale. Some items may reflect our already low Day-To-Day price. Certain items may be subject to additional fees or charges, including environmental handling or disposal fees which may vary by Province. We reserve the right to correct printing errors. We also reserve the right to adjust prices upwards or downwards to match severe fluctuations in the lumber and building materials market. Prices do not include tax. Accessories shown with products advertised are not included unless otherwise stated. Before beginning any home improvement or renovation project, check with your local building inspector's office. This also applies to any of Home's material package projects shown in this flyer. Local Building by-laws may require modifications to our project plans and specifications. Cutting and assembly required on most projects. Lumber and Building Material sizes shown are industry standard and may not exactly represent the products measurement. (eg: lumber referred to as 2x4 actually measure 1-1/2" x 3-1/2"). **Trademark of The Bank of Nova Scotia. *Registered Trademark of The Bank of Nova Scotia. *Scene+ and the Icon Design are trademarks of Scene Plus IP Corporation, used under license. *Visa Int./Licensed User.
