a greener way of printing.

Our meticulously engineered high-yield ink cartridges means replacements are needed less often. These longer-lasting products lead to more uptime and productive machines, and considerably less waste added to landfills compared to traditional cartridges.

print confidently every time.

- **Superior quality on every page.** With reliable, consistent performance, Brother Genuine Ink produces colour-rich prints in crisp, sharp tones that won't fade or smudge.
- **Designed for your printer.** The only ink brand recommended for Brother multi-function and all-in-one INKvestment Tank printers.
- **Clean cartridge replacement.** Our ink cartridge replacements are designed to boost your efficiency in the office. Just open the panel, click your cartridge and it's ready to go.
- **Spend less to print more.** Brother's supertank ink is transferred to the printer's tank so it won't dry up. This helps reduce the loss of ink and therefore, frequent cartridge changes.
- **Sustainable.** Engineered to limit their impact on the environment at every stage of their life cycle.
