Prices and PC Optimum™ offers advertised are in effect from **Saturday, April 11 until Thursday, April 16, 2026** and may vary by store location. Quantities and/or selection of items may be limited and may not be available in all stores. †Our Regular Price. †Applicable taxes, deposits or environmental surcharges are extra. †Limited time offer, subject to change or cancellation. Redeemptions at points level available with sufficient points while offer lasts in a single transaction. Customers need to maintain minimum spend of \$10-\$15-\$20-\$30-\$50 in order to receive corresponding maximum bonus redemption value of \$15-\$20-\$25-\$30-\$50 off the bill. In case of insufficient spend amount causing customers not to be able to redeem the offer, the system will automatically suggest default to a lower redemption threshold, so that customer can always redeem the best amount of available points and achieve the maximum value of offer available. Customer can however choose to redeem a higher amount of points and that portion of the value available if desired as per the PC Optimum Program Terms and Conditions. In no event will customers receive extra points in lieu of the forfeited value as part of this offer. Redeemments must be in increments of 10,000 points up to a maximum of 500,000 Optimum points in one transaction. Taxes payable on full purchase price before application of redemption value. Not redeemable for cash or credit. Exclusions apply. Visit [www.pcdrugmart.com/category/offer/terms-and-conditions](http://www.pcdrugmart.com/category/offer/terms-and-conditions) for further details.

Some store locations may not advertise items at a lower price than indicated in this publication and quantity limitations may apply. We reserve the right to limit quantities to reasonable family requirements. Please check your local store for pricing, levels and availability. **Advertised prices are not available at Shoppers Medical Centres, Pharmacies or Prescription Centres.** Receipts may be available for all of stock items including diabetes, copiers or extra when quantities are advertised as limited. We reserve the right to substitute the size of stock item for one comparable item in stock pending a receipt. We are not obligated to sell items based on orders or receipts in specialty or pharmaceutical. Applicable taxes are extra. Customer is responsible for the payment of any applicable sales or product packaging recycling fee that may apply. Coupons must be presented at time of purchase. †Our store locations in your neighbourhood, and participating PC Optimum™ Offers. Offers shown are applicable to valid PC Optimum™ members and are available at participating Shoppers Drug Mart store locations. Offers expire after one use and cannot be used in subsequent transactions. Points are based on the net-on-the-purchase total of eligible products. Offers and/or restrictions and conditions of offers, unless otherwise stated, include: alcohol, gift cards, all prepaid card products, transit/rental ticket, post office transactions, passport photos, cash back, delivery charges, all non-participating 3rd party operators and any other products which are previously regulated (including pharmacy-related transactions) or as we determine them to be. Cannot be used in conjunction with any other offers. Points are not redeemable for cash or credit. No adjustments on previous purchases. Where a program member is awarded points for an offer in which the member purchased product in excess of reasonable household quantities, the points awarded as a result of that purchase may be forfeited without prior notice. We are not obligated to award points based on errors or omissions.
